

Linguatime School of English has been working with CENSU INTERNATIONAL EDUCATION / GLOBAL SALES LTD since 2006. During the period CENSU has sent many students to our school.

CENSU INTERNATIONAL EDUCATION / GLOBAL SALES LTD has in a short period become one of our most valuable and trusted business partners. We value CENSU's professionalism and are also happy with the way they work with customers. All CENSU's representatives are highly motivated, friendly and professional when it comes to dealing with students and agents alike.

All their student' feedback is very positive.

We are very happy to work with CENSU INTERNATIONAL EDUCATION / GLOBAL SALES LTD and would recommend all students to book their language course through this company.

Kind regard,
